

REMARKS

Entry of the present amendment is respectfully requested prior to the payment of the Issue Fee.

In the Notice of Allowance mailed by the Examiner on December 17, 2005, the examiner made an Examiner's Amendment to claims 7 and 18. Applicant herewith further amends claims 7 and 18 to ensure that the claims conform to the changes made by the Examiner. Specifically, the Examiner amended lines 6-7 of claim 7 and lines 5-6 of claim 18 to change "a plurality of first power measurement signals" to ---said plurality of first power measurement signals---. The present amendments to claims 7 and 18 ensure that the changes made by the Examiner have a proper antecedent basis.

Should there be any question, the examiner is requested to contact the undersigned.

Respectfully submitted,
Stephen PALM
